Power of many

Our last Gathering was HUGE, over 100 + in attendance and close to 60 on the chapter ride after.

The growth and encouragement of the community of members is fantastic. We had a FUN time with some ride planning activity as we broke into small groups. Lot of ideas and interest is encouraged from members at large. Please use this activity and continue with your ideas. Share them with any member of our leadership team but most certainly send your ideas to Charlene Newell.

Charlene and Paul are the newest member of the leadership team and Congratulation to them both. The ideas they have as well as the other ideas and input from the other members - looks to be an adventure for us ALL in 2019.

We have a lot of members that many skills / talents – some hidden. I wish bring these to light and ask those that are willing to share your skills / talents with the chapter. These talents don't all have to be motorcycle related – maybe you are great at creating social events – cooking – experienced in travel planning – gear organization – packing light - ECT. Please feel free to put this on paper / email and send to me. I would enjoy seeing where we can move this into action and showcasing the talent you all possess.

Let's Chase the Winter Shadows away and Get to Ridding. More Rides – More Activities – More Fun.

Unfortunately we were unable to meet the quota for minimum T-Shirt order of 24 per style. You have one last chance to get an order in before the dealership can submit without paying an additional \$25 per style! You have until Feb. 2nd to get the chapter T-shirt: ladies short sleeve purple V-neck, \$27 or men's long sleeve Navy T-shirt, \$32. I have also started a new name badge order, which needs to be 12 each of the magnetic or military pin style. Any questions, you can email me anytime. Karen

Activities

HOG Members,

[Lisa Vail](#)

It has been my pleasure to serve you as the Activities Officer over the last year and a half however, the time has come for me to step down and enjoy fruits of others labor! Paul and Charlene Newell will be taking over in February as the new Activities Officers. Paul and Charlene are good friends of mine and have been HOG Members for many years. I'm looking forward to all of the new and exciting events they will surely bring to the Chapter. Please join me in welcoming Paul and Charlene Newell to the Northwest Arkansas HOG Officers team!

Lisa

Charlene and I would like to say hi and let you know we are honored to be your new activities officer. Our goal is for everyone to have a great time at each HOG event/meeting. We want to continue to bring new and exciting things to this Chapter. To help us do that, and to ensure we are doing things you want to do, we will be asking for volunteers to form different committees throughout the year. If that is something you may be interested in, let us know. We want your input! We are ready to help make 2019 a year to remember!
